1. A302 420-5-4-.03 (e) Administration Policies: The facility failed to follow its own Infection Control policies and procedures to prevent the spread of COVID-19.

2.. Each employee is to take his/her temperature and answer the screening questions prior to beginning his/her shift daily and document the screening results.

3. All employees will self-screen daily prior to beginning a shift. Any employee having a temperature of 100.4 or greater or any Covid-19 symptoms will return home until a negative Covid-19 test is obtained or the employee is symptom free for 24 hours without medication.

4. All employees have been retrained on the Infection Control Policy and Procedure to prevent the spread of COVID-19 by conducting daily health screenings prior to beginning a shift. New employees will also be trained upon hire. Documentation of the daily screenings will be placed in the Infection Control binder.

5. The Administrative Designee will review the screening documentation weekly for four weeks beginning 11/12/2021 and ending 12/3/2021 to ensure all employees are following the screening policy. Documentation of these audits will be placed in the POC binder located in the Administrator's office.

1. A405 420-5-4-.04 (6) Personnel: The facility failed to ensure all staff received required training and ensure staffing at all times included one individual who had current certification in CPR.

2. The Administrator/Designee and the RN will ensure that all new employees receive required training upon hire and that staffing at all times will include one individual with current CPR certification.

3. All employees not having CPR certification will be certified in CPR by November 5. All employees not trained in diabetes and hospice have been trained. Employee schedules were amended ensuring that at least one staff member was certified in CPR at all times until training is completed.

4. The Administrator/Designee and the RN will ensure that new employees are trained in all required training. An audit of all employee files will be completed by November 15 to ensure that all staff has all required training. Documentation of the audit will be placed in the POC binder in the Administrator's office.

5. The Administrator/Designee will review employee files quarterly beginning 12/15/2021 and ending 6/15/2022 to ensure that all required training has been completed. Documentation of quarterly audits will be placed in the POC binder in the Administrator's office.
