Plan of Correction

Facility Name: Morning Pointe of Tuscaloosa Specialty Care

Facility Identification Number: P6303

Name of Administrator: Kendra Martin, RN

Survey Exit Date: 11/14/2024

Deficiency Number: 420-5-20-.12 (1)(5) Physical Environment

A1201

1. On 11/14/2024, EI#5 removed the wooden fence from the courtyard. No additional requirements were necessary.

A1203

1. On 11/13/2024, approval was received from the home office to obtain a quote to replace window screens that are missing or damaged. EI#5 conducted an audit for any screens that were missing or damaged. A quote was obtained from Home Depot. Approval from home office received to replace screens. On 11/19/2024, EI#5 placed the order. Home Depot order confirmation is #H08077-224134. The estimated arrival is 15 days. EI#1 will begin installation upon arrival of product. EI #1/EI#5 will conduct monthly checks to observe for window screens that are missing, torn, bent, or damaged. Observations will be documented in the community's maintenance system. If any concerns are noted, screens will be replaced in a timely manner. An overflow of replacement window screens will be kept at the community.
