A 000	Initial Comments On December 4, 2024, an unannounced licensure survey was conducted for this 16 bed Assisted Living Facility with a census of 16. Deficiencies were cited during this survey for failure to operate in accordance with the Rules of the Alabama State Board of Health (SBOH), Alabama Department of Public Health (ADPH), Chapter 420-5-4, Alabama Administrative Code, for Assisted Living Facilities (ALF). The deficiencies cited pose a potential risk of harm to the residents and require a plan of correction.	A 000		
A 504	420-5-4-.05 (3) (d) Records and Reports. (d) Residents' Rights. Each resident shall be fully informed, prior to or at the time of admission of these rights. A copy of these rights shall be conspicuously posted in a resident common area. Each resident's file shall contain a copy of a written acknowledgment that he or she has read these rights, or has had these rights fully explained by facility staff to the resident, or, if appropriate, to the resident's sponsor. The acknowledgment shall be signed and dated by the administrator or the administrator's designee and by the resident or sponsor, when appropriate. 1. No resident shall be deprived of any civil or legal rights, benefits, or privileges guaranteed by law or the Constitution of the U.S. solely by reason of status as a resident of the facility. 2. Every resident shall have the right to live in a safe and decent environment, to be free from abuse, neglect, and exploitation, and to be free from chemical and physical restraints.	A 504

A 613	420-5-4-.06 (5) (a) (b) (c) (d) (e) Care of Residents. (5) Medications. (a) Medications as defined in these rules, may be administered to a resident of an assisted living facility only after the drugs have been prescribed specifically for the resident by an individual currently licensed to prescribe medications in Alabama. A currently licensed physician in good standing with the Medical Licensure Commission of any state may prescribe medications to a resident of an assisted living facility only during the initial physical examination. (b) A physician order is required for a resident to manage and have custody of his or her own medications. (c) A resident may have custody of and manage over the counter topical medications with the written approval of a physician. A physician order is not required for over the counter topical medications that are self-administered by residents and approved by the physician for resident possession. (d) Nothing in these rules shall preclude a facility from using a licensed nurse employed by the facility or nursing agency to administer medication to any resident. (e) A resident who is incapable of recognizing his or her name, or understanding the facility unit dose medication system, or does not have the ability to protect himself or herself from a medication error shall require medication administration. Medication administration shall be provided only by a physician or by an RN or LPN. If the resident cannot understand or be trained to understand the unit dose medication system used by the facility or cannot protect himself or herself from medication errors by facility staff, the resident will be appropriately discharged. This Rule is not met as evidenced by: Based on observation and record review the facility failed to have a physician order for medications in custody of a resident. Findings Prescription medication RI#2 was admitted to the facility on April 4, 2024. During a facility tour on December 3, 2024, at approximately 1:00 PM the surveyor observed the following. RI#2 had Chlorhexidine Gluconate 0.12 percent at bedside. After record review RI#2 did not have an order to have custody of prescribed medications. Over the counter (OTC) RI#2 was admitted to the facility on April 4, 2024. During a facility tour on December 3, 2024, at approximately 1:00 PM the surveyor observed the following. Medications kept under the control or custody of an assisted living facility that are not available in unit dose packaging must be packaged by the pharmacy and administered by a physician, RN, or LPN or self-administered with assistance under the total control and direction of the resident. (l) Unless a resident can and does self-manage his or her own medications, an assisted living facility shall require each resident to use a single pharmacy. This does not apply to emergency pharmacy services. All residents need not use the same pharmacy that is used by other residents unless express policy of the assisted living facility provides otherwise and all residents are informed of such policy and provided a copy of such policy prior to or at the time of admission. At a minimum, controlled substances in the custody of the facility shall be stored using a double lock system, under proper temperature and humidity controls and permit only authorized personnel access. The facility shall maintain a system to account for all controlled substances in its possession. All other medications in the custody of the facility shall be stored using at least a single lock, under proper temperature and humidity controls and permit only authorized personnel access. This shall include medications stored in a resident's room when the staff and not the resident have access to the medications. Medications may be kept in the custody of an individual resident who can safely manage his or her medications. Such medications may be stored in a locked container accessible only to the resident and staff, or may be stored and secured in the resident's living quarters, if the room is single occupancy and has a locking entrance. (n) Medication administration or medication assistance records and written physician orders for all over-the-counter drugs, legend drugs, and controlled substances shall be retained for a period of not less than three years. They shall be made available for inspection at reasonable times by residents, anyone authorized by the resident, and by the sponsors of residents.	A 616

Fire drills shall be conducted at least once per month in all facilities at varying times and days and quarterly on each shift of Group and Congregate facilities. All fire drills shall be initiated by the fire alarm system. The drills may be announced in advance to the residents. The drills shall involve the actual evacuation of residents to assembly areas in adjacent smoke compartments or to the exterior as specified in the emergency plan to provide staff and residents with experience in exiting through all exits required by the currently adopted Life Safety Code. Written observations of the effectiveness of the fire drill plan shall be assessed monthly, filed, and kept for at least three years. (c) Fire Drills During Resident Sleeping Hours. When drills are conducted between 9 PM and 6 AM, a coded announcement shall be permitted to be used instead of the normal audible fire alarm signals. These drills may be conducted without disturbing sleeping residents, by using simulated residents or empty wheelchairs.
